**COURSE DESCRIPTION:**

This course is intended to introduce students to recent developments in the theory and practice of brief counselling strategies. A number of models of short-term interventions will be discussed. The practice component of the course will involve learning how to apply brief counselling strategies and techniques to client problems.

**APPLICATION PROCEDURE:**

To be considered for this position, a one-page covering letter outlining what the applicant brings to the position and an updated Curriculum Vitae must be submitted to [toddwill@oise.utoronto.ca](mailto:toddwill@oise.utoronto.ca), or by fax to 416-926-4749, or by regular mail to Dr. Roy Moodley, C/O Todd Will, AECF, OISE, University of Toronto, 252 Bloor Street West, Toronto, Ontario M5S 1V6. Applications must be posted in advance of the deadline date. Names of referees may also be included, but are not required. Applicants are requested to include copies of their more recent course evaluations with their applications, if available.
