

29 March 2023

Dear CUPE 4600,

The workers of CUPE 3902 join in solidarity with the striking Teaching Assistants, Internally-Funded Research Assistants, and Contact Instructors of CUPE 4600 at Carleton University! You are showing the collective power of the labour movement!

Public sector jobs and the Post-Secondary sector have been under attack for decades across all Canadian provinces and Ontario is no exception. Furthermore, inflation across Canada and the cost of living in Ottawa has been rising, while your funding and wages have not, thus pushing many of your members further into precarity!

You deserve fair wages and benefits that are not eroded by inflation! You deserve job security!!

Ontario is a worker's province; Ontario is a worker's city. To the picket lines! It's time for a better Carleton!

CUPE 3902 donates \$1,000 for strike support and extends our hand to CUPE 4600 to offer whatever assistance we can from Toronto.

Yours in solidarity,

CUPE 3902
