**COLLECTIVE AGREEMENT BETWEEN**

**THE BOARD OF REGENTS OF VICTORIA UNIVERSITY  
IN THE UNIVERSITY OF TORONTO  
(hereinafter called “the Employer”)**

- and -

**THE CANADIAN UNION OF PUBLIC EMPLOYEES, Local 3902, Unit 2  
(hereinafter called “the Union”)**

**ARTICLE 1: GENERAL PURPOSE**

1:01 The purpose of this Agreement is to establish an orderly collective bargaining relationship between the Employer and employees represented by the Union.

**ARTICLE 2: RECOGNITION**

Bargaining Unit

2:01 The Employer recognizes the Canadian Union of Public Employees, Local 3902, as the sole and exclusive collective bargaining agent for all employees of the Board of Regents of Victoria University in the City of Toronto engaged in teaching, demonstrating, tutoring, or marking/grading, save and except:

- 1) persons employed in connection with courses delivered through Emmanuel College;
- 2) persons employed on contracts of one year or more;
- 3) persons holding continuing academic appointments at the University of Toronto and Victoria University;
- 4) status only appointments;
- 5) visiting academics who hold a full-time academic appointment at another University and are on leave from that University;
- 6) retirees from the University of Toronto or Victoria University;
- 7) persons engaged on an occasional basis by virtue of their particular special expertise to give an occasional or guest lecture or an occasional or guest seminar;
- 8) persons who exercise managerial functions or who are employed in a confidential capacity in matters related to labour relations;
- 9) persons for whom any other trade union held bargaining rights under the *Labour Relations Act* as of 26 May 2004.

### **ARTICLE 3: RESERVATION OF MANAGEMENT RIGHTS**

3:01 The Union acknowledges that it is the right of the Employer to maintain order and efficiency; hire, classify, transfer, promote, demote, layoff, discipline, suspend, or discharge employees; establish and enforce rules and regulations not inconsistent with the provisions of this Agreement, which govern the conduct of the employees; and generally to manage and operate Victoria University. The Employer agrees to exercise these rights in a manner which is fair, reasonable, equitable and consistent with the provisions of this Agreement.

### **ARTICLE 4: NO DISCRIMINATION**

4.01 The Employer and the Union agree that there shall be no discrimination, interference, restriction, coercion, or harassment exercised or practised in any matter concerning the application of the provisions of this Agreement by reason of: race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, religious or political affiliation or belief, sex, gender, sexual orientation, gender identity, gender expression, age, personal appearance, mode of dress, place of residence, record of offences unless the employee's record of offences is a reasonable and bona fide qualification because of the nature of employment, marital status, same-sex partnership status, family status, disability (including AIDS/HIV status), academic school of thought, nor by reason of the employee's non-membership, membership or activity in the Union.

#### **Workplace Harassment**

4.02 In accordance with Victoria University's "Statement on Harassment and Violence in the Workplace", the University is committed to providing an environment where all employees are not subjected to workplace harassment, which could include or take the form of cyberbullying.

Workplace violence includes physical attacks, such as hitting, kicking, shoving, destroying property or threatening behaviour. Workplace harassment includes verbal abuse and any other behaviour that causes humiliation or offence, or is demeaning, where the person engaging in the behaviour knows or ought reasonably to know that it will be unwelcome.

In assessing whether workplace harassment may have occurred, the definitions and standards set out in Victoria University's "Statement on Harassment and Violence in the Workplace", although this statement does not form part of the Collective Agreement, shall be considered, including by an arbitrator in any arbitration pursuant to this section.

An employee may file a grievance alleging a course of conduct amounting to workplace harassment if, after the University has exhausted any applicable internal steps to respond to the situation, the employee is dissatisfied with the outcome, or if, after sixty (60) working days have elapsed from the date the written complaint was completed according to the University's internal process, signed by the employee, and submitted to the University, specifying the conduct alleged to constitute workplace harassment, the University has not provided the employee with a response to the complaint. Such grievance will be filed at Step 2 of the grievance procedure. If not resolved at Step 2, mediation or facilitation before an agreed-upon mediator or facilitator must occur before arbitration takes place. The mediation or facilitation will be confidential and without prejudice to the rights of either party.

During any internal steps taken to resolve the situation, employees shall be informed in writing of their right to be accompanied by a Union representative.

#### Sexual Harassment

4:03 Sexual harassment shall be considered discrimination under Article 4:01.

4:04 For the purpose of this Collective Agreement, “sexual harassment” means:

1. Making submission to an unsolicited sexual advance or solicitation, expressly or by implication, a term or condition of an employee's right to or continuation of or advancement in employment or academic success, and/or
2. Using or threatening to make use of, rejection of an unsolicited sexual advance or solicitation as a basis for employment, academic or other decisions affecting the employee or the employee's progress, and/or
3. Physical conduct, occurring either on the Employer's premises or in the pursuance of a University activity or business, which emphasizes the sex or sexual orientation or gender expression of one or more employees in a manner which the actor knows or ought reasonably to know creates for that employee or those employees an intimidating, hostile, or offensive working or learning environment, and/or
4. Verbal conduct or other forms of communication occurring either on the Employer's premises or in pursuit of a University activity or business, that is directed at one or more specific employees that emphasizes the sex or sexual orientation or gender expression of that employee or those employees in a manner which the actor knows or ought reasonably to know creates for that employee or those employees an intimidating, hostile or offensive working or learning environment, and that exceeds the bounds of freedom of expression or academic freedom as these are understood in University policies and accepted practices, including but not restricted to those explicitly adopted.

#### Sexual Harassment Grievances

4:05 An employee may elect to submit a grievance, commencing at Step 2 of the grievance procedure, alleging sexual harassment under the Collective Agreement or to file a complaint under the University's Sexual Harassment Policy:

(a) An employee who elects to file a grievance under the Collective Agreement shall, if he or she wishes, have access to the mediation process in the University's Sexual Harassment Policy prior to Step 2 of the Grievance Procedure and may be accompanied by a Union representative during the process, if he/she chooses. An employee may withdraw from the mediation process at any time and resume the grievance process. Where the person normally hearing the grievance is the alleged harasser, the grievance shall be automatically forwarded to the next step in the Grievance Procedure.

(b) Employees electing to proceed with a complaint under the University's Sexual Harassment Policy shall have the right to be accompanied by a Union representative at any

stage of the process.

(c) It is agreed that where an employee elects to submit a grievance alleging sexual harassment, he/she shall forfeit his/her right to file a “complaint” under the Employer's Sexual Harassment Policy.

(d) The time limit for filing a complaint under the University's Sexual Harassment Policy or a grievance alleging sexual harassment under this Collective Agreement shall be no longer than six (6) months after the occurrence of the matter that is the subject of the complaint/grievance. Where the alleged harasser is the immediate supervisor of the complainant/grievor, the time limit to file a complaint or grievance shall extend to twelve (12) months.

4:06 No information relating to the grievor's personal background or lifestyle shall be admissible during the grievance or arbitration process.

4:07 Where an employee believes he/she has been the victim of sexual harassment, he/she may request, through the Union, to discontinue contact with the alleged harasser. Every effort shall be made to separate the parties in their employment relationship, without the complainant suffering any penalty. The Employer and the Union agree to treat requests to discontinue contact as confidential to those directly involved.

4:08 Witnesses who give information and/or evidence in a sexual harassment complaint shall suffer no penalty of an academic or other nature.

4:09 In the event that both the complainant and the respondent are employees covered by a Collective Agreement between CUPE 3902 and the Board of Regents of Victoria University, the Union and the Employer will appoint a mutually-agreed upon third party to investigate the complaint. Within two (2) months, the investigator shall submit a report to the Union and the Employer. The report may recommend discipline: e.g. ordering an apology, counselling, etc. The report shall not preclude the possibility of a grievance being filed on behalf of the complainant or respondent.

4:10 In the event that a grievance alleging sexual harassment is referred to arbitration in accordance with Article 14, the Chairperson of the Board of Arbitration shall be selected from among the following persons:

Jasbir Parmar  
Paula Knopf  
Kevin Burkett  
Louisa Davie

Chairpersons shall be selected in rotation, commencing with the first person named. For each successive arbitration, the next person named shall be selected. If the person selected is unavailable within a reasonable time, the next person on the list shall be selected. Should none of the above be available within a reasonable time, the parties may select a mutually agreeable alternative.

## **ARTICLE 5: NO STRIKES AND NO LOCKOUTS**

5:01 The Employer undertakes that there will be no lockout as defined in the Labour Relations Act during the term of this Agreement. The Union undertakes that there will be no strike as defined in the Labour Relations Act during the term of this Agreement.

## **ARTICLE 6: UNION SECURITY**

6:01 Membership in the Union shall be on a voluntary basis; however, as a condition of employment, each employee shall have deducted by the Employer from each bi-weekly pay during the term of the Agreement an amount equivalent to the Union dues or any assessments as are uniformly levied upon all members of the Union in accordance with its Constitution and By-laws. The amount of such dues shall be certified to the Employer in writing by the Secretary-Treasurer of the Union. Notice of any change in dues must be provided in writing to the Employer by the Secretary-Treasurer of the Union. Where the change is solely a change in the percentage rate of dues deducted, it shall be effective on the first day of the month following the period of thirty (30) days from actual receipt of the notice; other changes shall be effective on the first day of the month following the period of sixty (60) days from actual receipt of the notice. The Employer shall not be required to implement any change in dues affecting only a portion of the bi-weekly pay.

The Employer shall remit the amount deducted in accordance with this Article to the Union prior to the 15<sup>th</sup> day of the month following the date on which the deduction has been made.

Each remittance to the Union shall be accompanied by a list of the employees from whose pay the deductions have been made. This list shall also include salaries; classifications; home addresses; home telephone numbers; e-mail addresses; and such Department-of-employment designations as arise from normal processing of employment forms in accordance with the practices and procedures established by the Employer. The provision of any information by the Employer shall be in the form and/or format determined by the Employer, which may be varied by the Employer at the Employer's sole discretion. The Employer agrees to provide the Union with two (2) months advance notice of its intention to alter the form and/or format.

In addition, the Employer agrees to provide the Union with copies of all accepted letters of offer made to members of the bargaining unit at the earliest possible date.

6:02 The Employer agrees to provide the Union once per month an electronic copy of the information contained in the alphabetical and address sections of the monthly computer printout produced in accordance with Article 6:01, exclusive of headings and totals. The Employer recognizes the Union's interest in the present format and undertakes (a) to provide as much notice as possible in the event of a change and (b) to consider fully the Union's statement of impact in response to any such notice.

6:03 All enquiries concerning Union dues or dues deductions should be directed to CUPE/SCFP, Local 3902, 180 Bloor Street West, Suite 803, Toronto, Ontario M5S 2V6, telephone: 416-593-7057 or e-mail: [info@cupe3902.org](mailto:info@cupe3902.org).

- 6:04 The Union will indemnify and save the Employer harmless from any and all claims which may be made against it by an employee(s) for amounts deducted from pay as provided for in this Article.
- 6:05 Upon ratification of this Collective Agreement, the Employer agrees to pay one thousand dollars (\$1,000) to the Union in the full satisfaction of its contribution to the cost of collective bargaining.

## **ARTICLE 7: ACADEMIC FREEDOM**

- 7:01 All members of the University Community have the rights and obligations set forth in the Statement of Institutional Purpose and the Statement on Freedom of Speech, as they exist from time to time.

### Sessional Lecturers

- 7:02 Further, the parties to this Agreement acknowledge that the University is committed to the pursuit of truth, the advancement of learning, and the dissemination of knowledge. To this end, they agree to abide by the principles of academic freedom as expressed in the following statement with respect to Sessional Lecturers: academic freedom is the freedom to examine, question, teach, and learn, and it involves the right to investigate, speculate, and comment without reference to prescribed doctrine, as well as the right to criticize the University, and society at large. Specifically, and without limiting the above, academic freedom entitles Sessional Lecturers to:

- (a) freedom in carrying out their assigned teaching;
- (b) freedom from institutional censorship. Academic freedom does not require neutrality on the part of the individual nor does it preclude commitment on the part of the individual. Rather academic freedom makes such commitment possible.

- 7:03 Sessional Lecturers' professional obligations and responsibilities to the University shall encompass teaching, which includes, without being restricted to, responsibilities as follows:

An employee shall carry out his or her responsibility for teaching with all due attention to the establishment of fair and ethical dealings with students, taking care to make himself or herself accessible to students for academic consultation, to inform students adequately regarding course formats, assignments, and methods of evaluation, to maintain teaching schedules in all but exceptional circumstances, to inform students adequately of any necessary cancellation and rescheduling of instructions and to comply with established procedures and deadlines for determining, reporting and reviewing the grades of his or her students.

In performance of their duties, they shall deal fairly and ethically with their colleagues, shall avoid discrimination, shall not infringe their colleagues' academic freedom, and shall observe appropriate principles of confidentiality.

## **ARTICLE 8: INFORMATION TO EMPLOYEES**

8:01 The Employer agrees to inform all applicants, prospective members of the bargaining unit and new employees that a Collective Agreement is in effect. The Collective Agreement will be posted in a searchable format on the University's website and a link to said website will be included in all Letters of Offer. The Employer agrees to provide copies of any new Agreement to all employees. A searchable electronic copy shall be provided to the employee at the email address provided by the employee.

The University will provide the Union with a searchable electronic copy of the Collective Agreement.

8:02 The Employer shall provide to all employees an electronic copy of a one-page (letter-size, possibly double-sided) statement about the Union, prepared by the Union, provided that the statement is first forwarded to the Manager of Human Resources (or his/her designate) for information and for approval as to its factual accuracy. If the Manager of Human Resources (or designate) does not provide notification of errors or inaccuracies to the Union within two (2) weeks of receiving the statement, the information shall be presumed to be acceptable. The letter shall be provided preferably at or prior to the time the employee receives his/her written job offer of an appointment in this bargaining unit, but in any event, no later than the earlier of the start of duties or receipt of a Description of Duties and Allocation of Hours form.

## **ARTICLE 9: CORRESPONDENCE**

9:01 All correspondence between the parties, arising out of this Agreement or incidental thereto, shall pass to and from the Manager, Human Resources, and the Secretary or Chair (or designate) of the Union.

## **ARTICLE 10: LABOUR/MANAGEMENT RELATIONS**

10:01 No employee or group of employees shall undertake to represent the Union at meetings with the Employer without the proper authorization of the Union. The Employer shall not meet with any employee or group of employees undertaking to represent the Union without the proper authorization of the Union. In representing an employee or group of employees, a representative of the Union shall be the spokesperson. In order that this may be carried out, the Union shall supply the Employer with the names of its Officers and representatives. Likewise the Employer shall supply the Union with a list of its Program Coordinators. Neither the Union nor the Employer shall be required to recognize such representatives until written notification has been received.

Labour/Management Committee

10:02 The Union and the Employer acknowledge the mutual benefit of joint consultation and agree, therefore, that there shall be a joint labour/management committee consisting of up to three (3) representatives from and selected by each party. Meetings shall be arranged at

the request of either party through the Manager, Human Resources, by submitting in writing the topics to be discussed. Such meetings shall take place, at a mutually-agreeable time, within ten (10) working days of the receipt of the request for the meeting. Meetings shall not be used to discuss matters which are the subject of a grievance nor to discuss any matters which are, at the time, the subject of collective bargaining. The committee shall function in an advisory capacity only, making recommendations to the Union and/or the Employer with respect to its discussions and conclusions, and shall not have the power to add to or modify the terms of this agreement. A representative of each party shall be designated Co-Chairperson, and the two persons so designated shall alternate in presiding over meetings.

#### Workload Review Committee

10:03 There shall be a Workload Review Committee consisting of the Principal or Designate and the Chief Steward of CUPE 3902, Unit 2. Discussion shall be held between the two parties concerning problems with respect to teaching assignments where the Chief Steward feels an assignment exceeds a reasonable workload.

These discussions shall be without prejudice and shall not be the subject of a grievance, nor will the fact that a discussion has taken place preclude an employee from filing an individual grievance thereafter in accordance with Article 15:09.

### **ARTICLE 11: UNION REPRESENTATION**

11:01 The Employer acknowledges the rights and duties of Union Stewards and the Grievance Committee and the Grievance Officer to assist in preparing and presenting grievances in accordance with the Grievance Procedure.

11:02 The Employer agrees to recognize the authority of the Grievance Officer, Union Stewards, and members of the Grievance Committee to assist in the administration of the Collective Agreement. Upon request from the Steward(s) and/or member of the Grievance Committee, the Principal shall meet with the Steward(s) and/or other designated Union Official(s) within five (5) working days.

11:03 The Union shall notify the Employer, in writing, of the name of each Steward, the Steward's program of employment, and the program or programs the Steward represents, and the names of the members of the Grievance Committee. Upon such notification the Employer shall be required to recognize such Stewards or Grievance Committee members. The Union agrees that wherever possible, Stewards will be members of the bargaining unit.

### **ARTICLE 12: PROGRESSIVE DISCIPLINE**

12:01 Discipline will normally follow investigation and discussion with the employee, and will normally proceed through the following steps, with the objective of resolving the matter and/or correcting the behaviour as early as possible:

**Step 1)** Oral warning

- Step 2)** Written warning or letter of reprimand
- Step 3)** Suspension (with or without pay), change in assignment
- Step 4)** Discharge

Disciplinary measures shall be proportional to the seriousness of the issue and may increase in severity with further incidents of misconduct.

The Employer reserves the right to skip one or more steps outlined above, having regard for the severity of the conduct in question and the relevant mitigating and aggravating factors, if any.

An employee who is disciplined shall be advised in writing of the nature of the discipline and the reasons therefor. The Union will receive a copy of the notification of discipline or written warning within one (1) working day (24 hours).

The Employer shall not discipline without just cause.

- 12:02 When the Principal or Designate summons an employee for an interview to investigate a matter which may be the subject of disciplinary action which will be recorded in the employee's employment file, the Principal or Designate will inform the employee in writing of the employee's right to have the employee's Union Steward (or other Union Representative) present, and will inform the employee, in writing, of the nature of the allegations to be discussed. If the employee requests representation by the employee's Union Steward (or other Union Representative), the Principal or Designate will arrange for such representation without undue delay, and without further discussion of the matter with the employee concerned.
- 12:03 (a) If the investigation and/or meeting does not result in disciplinary action, including an oral or written warning, then all record of the matter and the interview will be destroyed. Pursuant to the investigation and/or meeting, a note, clearly indicated as non-disciplinary in nature, may be placed in an employee's personnel file. Such notes will be removed from an employee's personnel file after thirty-six (36) months, unless there are further incidents of a similar nature during that period.  
  
(b) The Employer will remove warnings and reprimands in an employee's personnel file that are more than thirty-six (36) months old, unless the employee has a subsequent warning for an offence during that period.
- 12:04 All disciplinary investigations shall be treated as confidential.
- 12:05 Nothing in this Article shall be construed in such a manner as to prevent the normal discussion between supervisors and employees concerning standards, expectations, or performance of work. The supervisor may investigate, identify, and comment on unacceptable or unsatisfactory acts or omissions and set a reasonable time in which to correct the problem. See also Article 20: Employee Evaluation and Records.
- 12:06 The Principal or Designate shall be the sole authority responsible for issuing warnings, reprimands, or more serious disciplinary sanctions. The Principal or Designate may take into account, when setting a reasonable time for improvement, the discussions that have taken

place between the supervisor and the employee on this matter.

## **ARTICLE 13: GRIEVANCE PROCEDURE**

### Definition

13:01 (a) A grievance shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of the Collective Agreement. Employment under the provisions of the Collective Agreement is a prerequisite for the filing of a grievance, with the exception of a hiring grievance as defined in Article 13:01(b).

### Hiring Grievances

13:01 (b) (i) A qualified applicant for a specified posted position of at least four (4) months' duration (two (2) months' duration if the position is for a half course offered over two (2) months in the summer academic session), who has been employed in the hiring Program for at least four (4) months within the past sixteen (16) months (at least two (2) months if the employment was a half-course offered over two (2) months in the summer academic session) shall have the right to file an individual grievance concerning the hiring decision, commencing at Step 1, in the event of a complaint of an improper hiring decision which resulted in the applicant not being selected for the position.

(b) (ii) A qualified applicant for a specified posted position of at least four (4) months duration (two (2) months duration if the position is for a half course offered over two (2) months in the summer academic session), who has been advanced to the rank of Sessional Lecturer II at Victoria College and who has been employed to teach in the hiring Program within the past five (5) years shall have the right to file an individual grievance concerning the hiring decision, commencing at Step 1, in the event of a complaint of an improper hiring decision which resulted in the applicant not being selected for the position, provided the applicant has previously taught at Victoria College the course in question or another version of it.

### Time Limits – Hiring Grievances

13:01 (c) Hiring grievances shall be presented within fifteen (15) working days of the date of the notice of outcome of applications sent pursuant to Article 15:03.

13:02 An earnest effort shall be made to settle grievances fairly and promptly in the following manner.

### Statement of Grievance

13:03 The statement of grievance submitted by the Union or Employer, and signed by the grievor(s), must contain the following: date of filing, nature and type of grievance (e.g. hiring, group, individual, policy), the article(s) of the Collective Agreement alleged to have been violated, a statement of the particular facts relevant to the grievance, including dates, and the remedy sought. The grievance must be set out in a manner which is clearly identified as a grievance.

Copy to Human Resources

13:04 The Union shall ensure that a copy of every grievance filed under this article is sent to the Manager of Human Resources or his/her designate at the time the grievance is filed.

#### Time Limits - Grievance Procedure

13:05 Time limits as specified in Article 13 (Grievance Procedure) are directive in nature within the context of the mutual desire of the parties to address grievances as quickly as possible. In the event that a grievance is filed after the time limit, the Employer reserves the right to dismiss the grievance on the basis of untimeliness; where no answer is given within the time limit specified, the grieving party shall be entitled to submit the grievance to the next step of the Grievance Procedure. Saturdays, Sundays, and University holidays will not be counted in determining the time within which action is to be taken or completed under the Grievance Procedure. No grievance may be submitted to arbitration which has not been properly carried through all the requisite steps of the Grievance Procedure.

#### Complaint Stage (Optional)

13:06 If an employee has an employment-related complaint, the employee may, as soon as possible after the occurrence of the matter which is the subject of the complaint, request a meeting with employee's immediate supervisor in order to give the immediate supervisor an opportunity to adjust the complaint. If a resolution to the complaint is arrived at as a result of the meeting, the employee shall be allowed to request a statement of the resolution, in writing, from the supervisor. In the event that an employee requests such a statement in writing, the supervisor shall comply within ten (10) days. The parties agree that a written statement provided in response to such a request shall not be relied upon or referred to by either party as having any precedential or interpretative value, and shall be considered to have been made on a "without prejudice" basis.

#### Individual Grievances

13:07 **Step 1:** If an employee has a grievance, the employee shall within forty (40) working days after the occurrence of the matter present a written grievance to the Program Coordinator. The Program Coordinator will give a written decision to the employee and the employee's Steward or other designated Union representative within seven (7) working days of receipt of the grievance at Step 1.

**Step 2:** If the grievance is not resolved at Step 1, the written grievance may be referred to the Principal (or designated representative of the Principal), transmitted by a letter signed by the Chair or Grievance Officer of the Union. The Principal (or designated representative of the Principal) will give a written decision to the Chair or Grievance Officer of the Union within seven (7) working days after receipt of the grievance at Step 2.

If the grievance is not resolved at Step 2, the Union may refer the grievance to arbitration pursuant to Article 14 of the Collective Agreement, within fifteen (15) working days thereafter.

## Group Grievance

13:08 A group grievance, which is defined as an alleged violation of this Agreement concerning two (2) or more employees, follows the same procedure as the individual grievance procedure.

## Policy Grievance

13:09 A policy grievance of the Employer, or a policy grievance of the Union which is distinguished from an individual employee's grievance or a group grievance, and which is defined as a difference arising between the Employer and the Union as to the interpretation or alleged violation of a specified provision or provisions of this Agreement affecting the Employer or the Union as such or as affecting the interests of members employed in more than one (1) Program, shall be produced in writing, signed by the Chair (or the designated representative of the Chair) of the Union, or the Principal (or the designated representative of the Principal), as the case may be, and submitted to the Principal (or the designated representative of the Principal); or the Chair of the Union (or the designated representative of the Chair), as the case may be, within forty-five (45) working days after the occurrence of the matter which is the subject of the grievance. It is expressly understood that the provisions of this paragraph may not be used by the Union to institute or duplicate any individual or group grievance directly affecting an employee or employees (which such employee(s) could personally initiate, thereby passing or paralleling the regular grievance procedure, whether or not such individual or group grievance has been filed). The initiating party in its written grievance must state the nature and basis of the grievance clearly and fully. The responding party shall provide a written response within fifteen (15) working days after receipt of the grievance.

If the grievance is not resolved, the initiating party may notify the other party in writing within a period of fifteen (15) working days that it intends to proceed to arbitration pursuant to Article 14 of this Collective Agreement.

## Suspension or Discharge Grievance

13:10 In the case of an employee who has been suspended or discharged, the employee may submit a grievance, in writing, signed by the employee, at Step 2 of the Grievance Procedure, within five (5) working days after the employee's suspension or discharge. The Designated Authority at Step 2 shall meet with the Chair of the Union and the Grievance Officer within a period of five (5) working days after receipt of the written grievance.

If the grievance is not settled at this meeting, or within a period of five (5) working days following the meeting, then the Union may notify the Employer in writing within a further period of five (5) working days that it intends to proceed to arbitration pursuant to Article 14 of this Collective Agreement.

## ARTICLE 14: ARBITRATION

14:01 If a grievance is not settled at Step 2, either party may notify the other within a further period of fifteen (15) working days (five [5] days in the case of a suspension or discharge grievance) after receiving the written reply that it intends to proceed to arbitration. The notice of intention to proceed to arbitration shall contain the details of the grievance, a statement of the issue in dispute, and a statement of the type of remedy sought by the party from an arbitrator.

14:02 The provisions of this article shall be based on the use of a single arbitrator, unless the provisions of Article 14:06 are specifically invoked. Sole Arbitrators shall be selected in rotation from the following list, commencing with the first person named. For each successive referral to arbitration, the next person named shall be selected:

Jasbir Parmar  
William Kaplan  
Deborah Leighton

If the person selected is unavailable within a reasonable time, the next person on the list shall be selected. Should none of the above be available within a reasonable time, the parties may select a mutually agreeable alternative. In any event, the parties shall attempt to select a Sole Arbitrator within twenty (20) working days of the notice of intent to proceed to arbitration. In the event that the parties are unable to agree on a hearing within nine (9) months, either party may request that the Minister of Labour appoint a Sole Arbitrator.

14:03 An arbitrator shall not have the authority to make any decision which is inconsistent with the terms of the Agreement nor to add to or amend any of the terms of the Agreement. The jurisdiction of the arbitrator shall be confined to the issue in dispute. The decision of the arbitrator shall be final and binding upon the parties.

14:04 In the event that an arbitrator deals with a matter relating to discharge, suspension or disciplinary action, then the arbitrator has the authority to reinstate an employee with or without compensation for wages and any other benefits lost, or to make any other award he/she may deem just and reasonable which would be consistent with the terms of the Agreement.

14:05 The parties shall jointly and equally bear the fees and expenses of the arbitrator.

14:06 Either party may request the establishment of a board of arbitration in respect of any grievance submitted for arbitration. In such a case, the parties shall each appoint a nominee to the board of arbitration and the chairperson of the board of arbitration will be one of the arbitrators set out in Article 14:02 above or such other chairperson as the two nominees appointed by the parties otherwise agree. Each party shall bear the fees and expenses of its own nominee to an arbitration board, and the parties shall jointly and equally bear the fees and expenses of the Chairperson. The provisions of Articles 14:01, 14:03, 14:04, 14:07, and 14:08 apply to a board of arbitration. The decision shall be unanimous or one reached by the majority of the members of the board; however, if there is no majority decision of the board, then the decision of the Chairperson shall constitute the final and binding decision of the board.

14:07 Saturdays, Sundays and University holidays will not be counted in determining the time within which action is to be taken or completed under the Grievance Procedure.

14:08 Time limits set forth in this article may be extended by mutual agreement in writing between the parties hereto.

without delay. A discussion is encouraged, but in any event, the supervisor shall respond within five (5) working days of receipt of the form by returning the form to the employee. The supervisor shall meet with the employee within an additional five (5) working days to discuss the supervisor's response. If no agreement can be reached, the employee may file an individual grievance commencing at Step 1 of the Grievance Procedure (Article 13). In the event the grievance is not settled and proceeds to arbitration, the arbitration board or sole arbitrator may award payment for additional hours worked, provided, however, that no such payment may be awarded where the additional hours resulted from the employee's choice of approach to the employee's duties, and/or where the additional hours were worked prior to the employee's delivery of the Workload Review Form to the employee's supervisor.

- 20:02 The Employer may evaluate each employee's work performance in writing. Such evaluations shall not normally take place more than twice during the period for which the employee's job description is tenable, at or near the midpoint and the end of the period during which the job description is tenable. For positions of less than one hundred (100) hours, or in which all the duties required are to be performed within a span of forty (40) working days, only the final evaluation shall be required, although a first evaluation may be given. Notwithstanding this exception, Article 20:03 shall apply.

In any course in which employees are being evaluated, the supervisor shall conduct an evaluation of each employee in that course.

The first evaluation may be informal in nature, but a written record of the discussion, signed by both parties to acknowledge the discussion has taken place, shall be retained.

An employee, while working under direct supervision, may request an evaluation by the supervisor not more than twice per period of appointment, by submitting a written request to the supervisor. The final evaluation shall be provided to the employee within four (4) weeks of the end of the appointment. The evaluation shall be discussed with the employee by the employee's supervisor. The employee shall sign the evaluation to acknowledge the fact that such discussion has taken place. The employee may add his/her written comment on the evaluation. All such evaluations shall be included in the employee's employment file.

For Sessional Lecturers only, where a classroom visit is an integral part of the performance evaluation, reasonably advanced notice of such a visit shall be provided to the member.

Where the first evaluation indicates an overall rating of unsatisfactory, a second evaluation is mandatory, provided that sufficient time remains before the end of the appointment. If insufficient time remains within the current appointment to complete a second (follow up) evaluation, the evaluation with an overall rating of unsatisfactory shall not be relied upon in any hiring decisions until the employee has been subsequently evaluated in another appointment. Such an evaluation shall be deemed to be a second evaluation for the purpose of this article and shall not trigger an obligation to evaluate any other employees in accordance with the first paragraph of 20:02. For clarity, the Chair may at his/her sole discretion remove the unsatisfactory evaluation from the employment file.

### Unsatisfactory Performance

- 20:03 In the event that a supervisor forms the opinion that an employee's performance is unsatisfactory, the supervisor shall prepare a written evaluation as prescribed in Article 20:02 without undue delay, for discussion with and comment by the employee.

### Student Evaluations

- 20:04 The parties agree that performance evaluation is a management function. Student evaluations, whether conducted by the Employer or by a student organization or by any other means, shall not be admissible as the sole evidence of unsatisfactory performance in either the discipline procedure or in arbitration. The Employer may make use of student evaluations as an element in the Employer's method for assessing work performance. Student evaluations include but are not limited to "Student Opinion Surveys."
- 20:05 A performance evaluation shall not be the subject of a grievance except in the event of an allegation or complaint of discrimination as defined in Article 4:01.

### Employee Comments

- 20:06 The employee has the right to comment, in writing, on his/her performance evaluation. The evaluation, including comments, if any, from the employee, shall be placed in the employee's employment file.

### Employment File

- 20:07 An employment file shall be maintained by the Employer for each employee, and shall be separate from the employee's academic record, if any. The employment file shall contain only those documents bearing the employee's signature, acknowledging receipt only, and relating to the employee's employment.
- 20:08 An employee's file shall be available for use in making decisions relating to employment by the Employer but no documents contained therein shall be released physically or orally outside the Employer without the employee's prior consent in writing.
- 20:09 An employee, or former employee, within two (2) years from the termination of last employment or from last enrolment in the University, whichever is later, may inspect the employee's, or former employee's, employment file on request. The Employer shall provide the employee, or former employee, copies of any document contained in the employment file upon request. Examination of the employment file may be made after the employee or former employee gives notice of the desire to do so, and under the conditions which the Employer deems appropriate to ensure the security of the file. An employee or former employee shall have the right to respond in writing to any document contained therein. Such reply shall be included in the employment file.

20:10 Upon written request, the Employer will provide a confirmation of employment letter within five (5) working days.

(b) Where the employer arranges for the substitution of duties for any employee taking any of the leaves provided for by this Article, so long as such leave is of less than two (2) calendar months' duration, the provisions of Articles 15:01, 16:01, 17:01, 18:01 (Job Posting), 15:03, 16:03, 17:03, 18:03 (Notice of Appointment), 15:05, 16:05 (Job Descriptions), and 15:07, 16:10, 17:07, 18:07 (No Layoffs) shall not apply.

Such leave of absence is to be confined to the actual duration of the convention or educational seminar and the necessary travelling time. Such leave shall not exceed ten (10) working days per year for each employee to whom such leave is granted.

### Academic Conference Leave

21:03 An employee who has been invited to deliver a paper, present research findings, chair a session, or serve as a discussant at an academic conference related to the employee's discipline, may request short-term leave for the time necessary to travel to and from the conference, and discharge his/her obligations. In seeking the approval of the supervisor for such leave, the employee shall request the leave as far as possible in advance of the time the leave would be taken. If known, such a request will be made during the discussion of the Description of Duties and Allocation of Hours Form at the start of the appointment.

### Absence from Work for Union Business

### Negotiations

21:04 The Union shall advise the Employer in writing of all members of the Union bargaining committee. Where a member of the Union bargaining committee

encounters an unavoidable conflict between any scheduled contact hours arising from appointment as an employee and attendance at a scheduled negotiation meeting with the Employer, the member of the Union bargaining committee shall be entitled to attend the negotiation meeting.

#### Grievances

- 21:05 Where attendance at a grievance meeting or an arbitration hearing unavoidably conflicts with any scheduled contact hours arising from appointment as an employee, those Union Stewards, Officers, grievors and witnesses whose presence is required shall be entitled to attend without loss of pay. The affected member shall provide his/her supervisor with as much advance notice as possible, and shall endeavour to utilize the provisions of Article 21:01 wherever feasible.
- 21:06 Without limiting the desirability of providing as much advance notice as possible, an employee entitled to leave under Article 21:05 shall endeavour to provide a minimum of two (2) working days' notice of the employee's anticipated absence to the employee's supervisor(s).

#### Union Leave

- 21:07 An employee who is appointed, selected or elected to work for the Union (including the CUPE National and/or any labour bodies to which the Union is affiliated) shall at the written request of the Union receive a temporary leave of absence for a period not to exceed eight (8) months, or the term of office, whichever is shorter. Employees on such leaves of absence will continue to be paid by the Employer, but the Union shall reimburse the Employer for such wages and benefit payments upon receipt of a statement of the amount owing. 15:01, 16:01, 17:01, 18:01 (Job Posting), 15:03, 16:03, 17:03, 18:03 (Notice of Appointment), 15:05, 16:05 (Job Descriptions), and 15:07, 16:10, 17:07, 18:07 (No Layoffs) shall not apply to replacements arranged by the Employer resulting from employee absences because of union leaves of less than four (4) months in duration.
- 21:08 Wherever possible an employee entitled to leave under Article 21:07 shall provide one (1) months' notice of the employee's anticipated absence to the employee's supervisor. Union leave shall not be granted to more than one (1) employee at any one time.

#### Pregnancy Leave

- 21:09 (a) A pregnant employee shall be granted a pregnancy leave of absence of up to seventeen (17) weeks upon written request submitted at least two (2) weeks in advance stating that she is pregnant and the probable date of delivery. Where the Program requests a certificate from a legally qualified medical practitioner (e.g. physician, obstetrician/gynecologist, midwife) confirming this information, such certificate shall be provided without undue delay.

(b) The employee and the employing Program shall record in writing their joint understanding of the anticipated beginning and ending dates of the leave; however, the ending date of a leave may not extend beyond the ending date of the employee's current period of employment in that Program, except as otherwise provided for in this article.

(c) An employee may return to work within the original period of employment upon giving two (2) weeks' notice in writing of her intention to do so or upon confirming her previous arrangement for return. The employee shall be reinstated to her position or shall be provided with work of a comparable nature at the same rate of pay for the remainder of her original period of employment.

(d) Employees who are eligible for pregnancy leave per the paragraphs above are entitled to choose one of the two following benefits:

(1) Leaves of ten (10) weeks or less shall not result in an interruption of regular bi-weekly installments of pay. Leaves longer than ten (10) weeks shall be without pay for the period which exceeds the first ten (10) weeks of such leave.

**OR**

(2) For employees who qualify for Employment Insurance benefits based on insurable hours of work in this bargaining unit, a supplementary benefit will be provided. The University will pay the employee ninety-five (95) percent of regular pay during the two (2) week waiting period for Employment Insurance benefits and, for the next fifteen (15) weeks, or until the end of the appointment (whichever comes first), will pay the difference between Employment Insurance benefits and ninety-five (95) percent of the actual salary which she was receiving on the last day worked prior to the commencement of the pregnancy leave, provided that the employee applies for and receives Employment Insurance benefits.

(e) In the event of a miscarriage, a stillbirth, or birth of the child earlier than expected, the employee may begin her leave, but shall notify her employing Program as soon as possible, but no later than ten (10) working days subsequent to her first day of leave. The employee shall provide, at the Employer's expense, a doctor's certificate from a legally qualified medical practitioner (e.g. physician, obstetrician/gynecologist, midwife) stating the date of birth, stillbirth, or miscarriage, and the date the employee was expected to give birth.

Parental Leave

21:10 (a) An employee who has been employed for at least thirteen (13) weeks and who is the parent of a child is entitled to a leave of absence without pay for up to thirty-five (35) weeks following (a) the birth of the child; or (b) the coming of the child into the custody, care and control of a parent for the first time.

(b) An employee who has not taken pregnancy leave is entitled to a leave of absence without pay of up to thirty-seven (37) weeks.

(c) Application for such leave shall be submitted in writing to the employing Program at least two (2) weeks in advance, indicating the date on which the leave is to begin. Parental leave may begin no more than fifty-two (52) weeks after the day the child is born or comes into the custody, care and control of a parent for the first time. Parental leave of an employee who takes a pregnancy leave must begin when the pregnancy leave ends, unless the child has not yet come into the custody, care and control of a parent for the first time.

(d) In the case where the employee who is the parent of a child stops working because the child comes into the custody, care and control of the parent for the first time sooner than expected, the employee must provide written notice that he/she wishes to take leave within two (2) weeks of stopping work.

(e) The employee and the employing Program shall record in writing their joint understanding of the anticipated beginning and ending dates of the leave; however, the ending date of the leave may not extend beyond the ending date of the employee's current period of employment in that Program except as otherwise provided for in this article.

(f) An employee may return to work within the original period of employment upon giving four (4) weeks' notice in writing of his/her intention to do so or upon confirming his/her previous arrangement for return. The employee shall be reinstated to his/her position or shall be provided with work of a comparable nature at the same rate of pay for the remainder of his/her original period of employment.

g) Employees who are eligible for parental leave per the paragraphs above are entitled to choose one of the two following benefits:

(1) Leaves of four (4) weeks or less during the term of an appointment shall not result in an interruption of regular biweekly installments. Leaves longer than four (4) weeks during the term of the appointment shall be without pay for the period which exceeds the first four (4) weeks of such leave. No payment will be made which exceeds the term of employment.

**OR**

(2) For employees who qualify for Employment Insurance benefits based on insurable hours of work in this bargaining unit, a supplementary benefit will be provided during the parental leave period. The University will pay the employee ninety-five (95) percent of regular pay during the two (2) week waiting period for Employment Insurance benefits, and, for the next eight (8) weeks, or until the end of the appointment (whichever comes first) will pay the difference between Employment Insurance benefits and ninety-five (95) percent of the actual salary which she/he was receiving on the last day

worked prior to the commencement of the parental leave, provided that the employee applies for and receives Employment Insurance benefits.

Where an employee who qualifies for leave under Article 21:09 and/or 21:10 commences said leave during one appointment, and he/she has a further appointment in the immediately consecutive term, the employee shall be eligible to continue his/her leave, if there is any entitlement remaining, into that next appointment.

#### Parental Partner Leave

21:11 Upon the birth or adoption of a child, a non-birth parent shall be entitled to up to one (1) week without loss of pay within six (6) weeks of the birth of the employee's child or the coming of the child into the care, custody and control of a parent for the first time. Such requests shall be made as far in advance as possible. For clarity, this provision is available to any non-birth parent.

#### Bereavement Leave

21:12 In the event of a death in the immediate family (spouse, includes both married and unmarried couples, of the same sex or different sex, parent, brother, sister, child, child of a spouse, parent of spouse, child's spouse, sibling of spouse, grandchild, or grandparent), an employee who holds a position which involves contact hours shall be entitled, upon request in advance, if possible, to up to three (3) consecutive days leave from scheduled contact hours per session without loss of pay. If extensive travel is required, the employee may be permitted up to five (5) consecutive days leave from scheduled contact hours per session without loss of pay. The provisions of Articles 15:01, 16:01, 17:01, 18:01 (Job Posting), 15:03, 16:03, 17:03, 18:03 (Notice of Appointment), 15:05, 16:05 (Job Descriptions), and 15:07, 16:10, 17:07, 18:07 (No Layoffs) shall not apply to replacements arranged by the Employer resulting from employee absences because of a death in the immediate family. Bereavement leave may be extended without pay at the request of the employee.

#### Compassionate Leave

21:13 Upon request, an employee shall be granted leave without loss of pay of up to one (1) week, equivalent to a total number of regularly worked hours, to attend to a seriously ill relative, spouse, or a person who is considered to be a close personal associate or like a family member, at the employee's request once per academic year. Unpaid compassionate leaves under this article may be granted during the same academic year.

#### Jury Duty Leave

21:14 Upon written request, supported by a copy of his/her summons, an employee shall be granted leave without loss of pay for up to the duration of the current period of employment to appear for, sit for, or serve jury duty, or Crown witness service, provided that upon return to work he/she shall provide his/her supervisor with

written confirmation of the date(s) and time(s) on which he/she appeared and/or served, signed by an appropriate official of the Court.

#### Sick Leave

21:15 (a) Sessional Lecturers and Writing Instructors who are unable to attend regularly scheduled classroom or contact hours due to illness or injury, shall be granted up to six (6) days of sick leave per academic session. To qualify for sick leave without loss of pay, the employee must promptly, and in advance if possible, notify his/her supervisor and the Program Coordinator as to the expected duration of the illness/injury.

(b) Teaching Assistants and Undergraduate Tutors who are unable to attend regularly scheduled classroom or contact hours due to illness or injury, shall be granted sick leave on the following basis:

Employed for 240 hours or more per academic session: Up to three (3) days

Employed for 140 – 239 hours per academic session: Up to two (2) days

Employed for 50 – 139 hours per academic session: Up to one (1) day

To qualify for sick leave without loss of pay, the employee must promptly, and in advance if possible, notify his/her supervisor and the Program Coordinator as to the expected duration of the illness/injury.

(c) Notwithstanding the foregoing, in the event that an employee is expected to mark and/or grade during a period of sickness, every effort shall be made to allow the employee reasonable and sufficient time to complete the marking/grading after his/her sickness.

(d) Sick leave credits shall not accumulate from one period of employment to another. Employees may be required to provide a physician's certificate, at the Employer's expense, upon return to work. All certifications by medical practitioners respecting sickness or injury shall be confidential.

#### **ARTICLE 22: HOLIDAYS**

22:01 No employee shall be required to perform any duties on any of the following holidays:

New Year's Day

Family Day

Good Friday

Victoria Day

Canada Day

Civic Holiday

Labour Day

Thanksgiving Day

Christmas Eve

Christmas Day

Boxing Day

New Year's Eve

nor on any holiday declared by the President of Victoria University and/or the President of the University of Toronto. An employee shall be entitled to observe holidays of the employee's religion other than those specified above; however, except in situations where it is not possible to do so, the employee shall notify the employee's supervisor in writing of the employee's intention at least two (2) weeks prior to the said holiday.

### **ARTICLE 23: HEALTH CARE SPENDING ACCOUNTS (HCSA)**

Effective September 1, 2014 to December 31, 2017, the University agrees to provide each employee who is employed to teach a half course or more (or the equivalent) with a Health Care Spending Account (HCSA) of \$295.43, to a maximum of \$1,447.13 per person per plan year.

The plan year will be September 1 through August 31. For the purposes of clarity, it is agreed for the purposes of this article that a half course is equivalent to between 50 and 239 hours worked, and a full course is equivalent to between 240 and 379 hours worked, one and a half courses is equivalent to between 380 and 520 hours worked, two full courses is equivalent to between 520 and 660 hours worked, and so on.

The HCSA is intended to have the following features:

- It may be used for eligible expenses (which are those considered eligible expenses under the Income Tax Act, such as crutches, prescription eyewear, prescription drugs, some OTC medications, physiotherapy or RMT, chiropractic treatments, cost of private health care premiums). Original receipts must accompany all claims for reimbursement.
- Eligible expenses must be incurred on or after the date of the employee's HCSA allocation, and on or before the end of the plan year for which the allocation is made; eligible claims may be submitted not later than 60 days beyond the end of the plan year. Any unallocated amount remaining after this period will be forfeited.
- The reimbursements are not taxable under current Income Tax Act rules. Once allocated, funds in an HCSA may be accessed within the specified time frame whether or not the account holder is actively employed by the University. Recognizing that the extent of employment in Unit #2 may change during a period of employment, or may take place at separate times during the academic year, the University is seeking a plan design which would allow additional allocations subsequent to the initial allocation; however, all allocations during a plan year would expire at the same time.
- Persons eligible and enrolled in the University of Toronto Staff Health and Dental Plans as of the date of ratification shall continue to participate in these plans, in accordance with applicable regulations, and will not be eligible to participate in both the University of Toronto Benefit Plans and the HCSA. Where a bargaining unit member who qualifies for coverage under the HCSA also has coverage under a

student benefit plan or another benefit plan, that member will seek coverage for medical expenses under that other plan prior to submitting a claim under the HCSA.

## **ARTICLE 24: RRSP CONTRIBUTION FOR WRITING INSTRUCTORS AND SESSIONAL LECTURERS**

Writing Instructors with a minimum of six-hundred (600) hours of work and greater than four (4) years of service, and Sessional Lecturers, are required to establish a registered retirement savings plan (RRSP), and the University will match the employee's contributions to that plan in the amount of 5% of the Sessional Lecturer's earnings at Victoria University. The 5% employer contribution will be paid directly to the employee as T4 income. Employees will submit evidence of their enrollment in the RRSP and of their contributions to the Manager of Human Resources by March 31<sup>st</sup> of each year. The Union agrees that, in the event that the employee has not made the required contributions, the employer may recover its overpaid contributions from the employee through lawful process, including payroll deduction.

Fractional appointments shall be paid on an hourly basis. The term “academic year”, as used in this Collective Agreement, refers to the period from September 1 to August 31, inclusive.

#### **ARTICLE 28: JOB SECURITY FOR LONG SERVICE WRITING INSTRUCTORS**

- a) Writing Instructors with a minimum of six hundred (600) hours of work and greater than four (4) years of service, will be offered the opportunity to work in the subsequent academic session (i.e., September to April) for at least the same average number of hours per academic session the Writing Instructors have held over the prior 3 year period. This commitment only applies to the academic years during the term of this Collective Agreement.

## **APPENDIX A: Job Description Guidelines**

### **GUIDELINES FOR PREPARING DESCRIPTION OF DUTIES & ALLOCATION OF HOURS FORM FOR TEACHING ASSISTANT COVERED BY THE CUPE, Local 3902 COLLECTIVE AGREEMENT**

#### **Purpose**

The purpose of these guidelines is to assist supervisors of employees in preparing the written description of each employee's position as required by Articles of the Collective Agreement between Victoria University and the Canadian Union of Public Employees, Local 3902.

In formulating job descriptions, supervisors are encouraged to discuss the details of the job description with the employee involved. Job descriptions are not required for Sessional Lecturers.

#### **Description of Duties and Allocation of Hours Form**

The Description of Duties and Allocation of Hours form attached has been prepared to ensure a uniform approach to the description of employee positions. Since the University community is a diverse and varied one, the final content of any job description cannot be specified in advance. However, a careful review of the following guidelines will provide each supervisor with the information necessary to complete each job description in accordance with the specific requirements of the position and in compliance with the terms of the Collective Agreement.

#### **How to Complete the Form**

Completion of the section on Duties involves describing the duties to be performed by the employee and providing a statement of the hours required for the completion of these duties. Using the sample list of duties described on the reverse side of the Form, duties are to be described by functional category, followed by a statement of the individual duties involved under that category. The functional categories to be used are: training, preparation, contact, marking/grading, and other duties. Only those duties which will form part of the employee's assignment should be listed on the form, in as much detail as necessary to adequately describe the duty.

**Training:** Mandatory employee participation in training programs should be reflected in this section. Note that all TAs on first appointments must be provided with training.

**Preparation:** Types of preparation are included on the reverse side of the form, and all preparation duties to be required of the employee by the employer should be included. Special attention should be paid to this section for those employees who are responsible for the independent teaching, under supervision, of a course or section.

**Contact:** Every scheduled hour of class time is to be treated as sixty (60) minutes in describing hours of work. Care should be taken, where contact does not extend over the standard period of twenty-eight (28) weeks per session (14 weeks per term), to indicate the expected period of contact. The level of supervision of the employee should be indicated.

**Marking/grading:** The nature and estimated number of assignments to be graded should be indicated, together with guidance as to the appropriate amount of time which should be devoted to marking each class assignment. The estimated enrolment should be entered and used in determining marking hours. If the marking workload will be unevenly distributed during the term, this should be stated. Should the number of assignments to be marked exceed the original estimate, supervisors must take appropriate measures to ensure the total time allocation for marking/grading is not exceeded (e.g. by increasing the hours allocated, by reducing the number of assignments to be graded, or by other measures). Similarly, supervisors should verify as early as possible that the time allocated per assignment has been appropriately estimated.

**Other duties:** These should be described in the same manner as the major categories discussed above. Also, this section should reflect attendance at mid-course review meetings which are called by employing Programs for review of assigned hours and duties (Article 15:08). “Other duties” must be consistent with the Collective Agreement.

The “total hours” for the assignment is the sum of the hours per session given for training, preparation, contact, marking/grading, and other duties. This total will be used to prepare the employee's pay form.

### **Revision of Job Description**

Should it become necessary to revise the description of duties and/or the allocation of hours, refer to Articles 16:07 and 16:08 of CUPE, Local 3902 Collective Agreement. Note that these articles require that the revision be discussed with the employee. A revised “Description of Duties and Allocation of Hours” form should be prepared and provided to the employee, and for the Employer’s records.

## **APPENDIX C: Advancement Process**

### **Eligibility**

Provided he/she possesses an advanced degree or significant professional accomplishment, a Sessional Lecturer I is eligible for consideration to be advanced to the rank of Sessional Lecturer II once he/she has taught at least eight (8) half courses or the equivalent and has taught in at least four (4) of the past six (6) years at Victoria College.

### **Process**

Once a candidate meets the eligibility criteria, the candidate may, by letter to the Principal, request the initiation of the advancement process. The candidate's letter must be received not later than September 15 for advancement consideration in the Fall Session, or January 15 for advancement consideration in the Spring Session.

The Principal will respond in writing to the candidate, advising the candidate within fifteen (15) working days of receipt of the advancement request, advising the candidate of the names of the Advancement Committee, which shall be composed of the Principal or designate (who shall act as Chair of the Committee), another relevant academic administrator, and two (2) or three (3) other members of the teaching staff, appointed by the Principal. Where possible, one of the members of the Committee shall be a member of the CUPE Local 3902 Unit 2 bargaining unit who holds the rank of Sessional Lecturer II, provided the member agrees to so serve.

Within two (2) weeks of the date of the Principal's letter, the candidate may advise the Principal in writing of any express reservations with respect to the appointed members. The Principal will then advise the candidate in writing of the final composition of the Advancement Committee and the anticipated timing of its review and decision.

The Principal shall designate a member or members of the Committee to observe the candidate in the classroom as a critical and requisite part of the advancement process.

The candidate's Victoria University employment file shall be available to the Committee.

The initial letter to the candidate will also identify the written material to be submitted by the candidate for the Committee's consideration:

- A curriculum vitae, which shall include a complete list of all courses taught in the past six (6) years
- A teaching dossier, which shall include representative course outlines, bibliographies and assignments

The focus of these submissions shall be to demonstrate the candidate's currency with and mastery of the subject matter and his/her superior classroom teaching.

In addition, all those who are raised to the rank of Sessional Lecturer II shall demonstrate that they adhere to the following principles:

An employee shall carry out his or her responsibility for teaching with all due attention to the establishment of fair and ethical dealings with students, taking care to make himself or herself accessible to students for academic consultation, to inform students adequately regarding course formats, assignments, and methods of evaluation, to maintain teaching schedules in all but exceptional circumstances, to inform students adequately of any necessary cancellation and rescheduling of instructions and to comply with established procedures and deadlines for determining reporting and reviewing the grades of his or her students. In performance of their duties, employees shall deal fairly and ethically with their colleagues, shall avoid discrimination, shall not infringe their colleagues' academic freedom, and shall observe appropriate principles of confidentiality.

### **Confidentiality**

The Committee's deliberations shall be confidential.

### **Outcomes**

The Committee's recommendation must be approved by the Principal.

The Principal shall advise the candidate in writing of the outcome of the advancement process by December 31st, or before if possible for those under consideration for advancement in the Fall Session, and April 30 for those under consideration for advancement in the Spring Session. If a candidate's application is successful, he/she will have status as a Sessional Lecturer II in the following academic session. In advising candidates who are not successful, the Principal shall set out the reasons for which this decision was made.

A candidate who is advanced to the rank of Sessional Lecturer II shall assume that rank for purposes of consideration for vacancies in the following academic session after the date of the Principal's letter.

A candidate who is not advanced to the rank of Sessional Lecturer II may be eligible for re-evaluation after a further two (2) years of employment and a minimum of four (4) further half courses or the equivalent.

### **Appeals**

If a candidate is not advanced to the rank of Sessional Lecturer II, he/she may request a review of the decision, by letter to the Principal within twenty (20) working days of receiving notice to that effect from the Principal. The Principal will advise the President of the appeal request. The President shall convene a Victoria University Advancement Review Panel to consider the appeal.

## **Victoria University Advancement Review Panel**

A Victoria University Review Panel shall be established to review decisions which do not result in advancing the candidate to the rank of Sessional Lecturer II.

The Panel shall be composed of three members of the teaching staff appointed by the President. The President will advise the Union of the proposed names of the Victoria University Advancement Review Panel in writing. Within two (2) weeks of the date of the President's notification, the Union may advise the President in writing of any express reservations with respect to the proposed members. Once membership of the Panel has been mutually agreed, the President will advise the Union of the candidate in writing of the final composition of the Panel and the anticipated timing of its review and decision.

The Panel will not include members of the Advancement Committee who participated in the original decision.

When a review is requested, the Panel shall be provided with:

- The candidate's original application (including curriculum vitae and teaching dossier)
- Any student evaluations and other documentation relied upon during the initial proceedings.
- The Principal's letter to the candidate
- A written submission from the candidate

The Panel shall consider all the related materials and submissions, and shall either confirm the Advancement Committee's decision or determine that the candidate is to be advanced to the rank of Sessional Lecturer II.

The Panel's considerations will be arranged without undue delay, and its written decision, with reasons, shall be made in as expeditious a manner as possible.

The Victoria University Advancement Review Panel's decision shall be final and binding.

## **LETTER OF INTENT: Victoria University Advancement Review Panel**
