C.U.P.E. 3902's Mobilization Committee has put together a member-driven campaign with a three pronged focus: 1) Distributing mobilizing honoraria for those doing political and organizing work against cuts to public services by The Ford Government; 2) organizing C.U.P.E. 3902's presence at coalition events, such as attending days of action or other important demonstrations; 3) preparing "rally kits" for caucuses and stewards so that they can be better prepared to engage in Ford Fightback efforts.

Member Mobilizer: this position focuses on having meaningful, face-to-face conversations with members.

Tasks include:

    - Developing talking points and materials for engaging members with the Communication Coordinator.
    - Assisting and liaising with MobComm regarding steward recruitment.
    - Working closely with the Staff Organizer and Mobilization Committee to achieve the above tasks.
