Solidarity Statement with Striking CUPE 3906 Members

Dear CUPE 3906,

The workers of CUPE 3902 join in solidarity with the striking members of CUPE 3906 at McMaster University! You are showing the collective power of the labour movement!

Public sector jobs and the Post-Secondary sector have been under attack for decades across all Canadian provinces and Ontario is no exception. Furthermore, inflation across Canada and the cost of living in Hamilton has been rising, while your funding and wages have not, thus pushing many of your members further into precarity.

You deserve fair wages and benefits that are not eroded by inflation! You deserve job security!!

Ontario is a worker's province; Hamilton is a worker's city. To the picket lines! It's time for a better Mac!

CUPE 3902 extends our hand to CUPE 3906 to offer whatever assistance we can from Toronto.

Yours in solidarity,

CUPE 3902
